

# Introducing Skill Builder Navigator: Your Guiding Star in AWS Learning

SkillBuilder  
Navigator

Unlock Your Full Potential with Navigator

Skill Builder Navigator is your trusted companion as you navigate the vast landscape of AWS Skill Builder. Whether you're a seasoned professional or just dipping your toes into the cloud, Navigator offers a tailored learning experience that accelerates your AWS mastery.

## Key Benefits:

### Identify and Assess

Work with our AWS Authorized Instructors to define your team's learning objectives and desired outcomes. Establish the appropriate starting point through an assessment process to evaluate cloud knowledge and skills, optimizing the learning journey.

### Instructor-Led Coaching

Our expert instructors bring AWS to life. Engage in live coaching sessions, ask questions during office-hours, and gain insights from real-world scenarios while completing labs. It's like having a personal guide through the cloud.

### AWS Skill Builder Integration

Dive deep into hands-on labs, interactive exercises, and practical challenges. The **AWS Skill Builder** platform is seamlessly integrated, allowing you to build, break, and learn in a safe environment.

### Curated Learning Paths

No more wandering aimlessly through the AWS wilderness. **Navigator** leverages our diverse group of AWS Authorized Instructors to provide meticulously crafted learning paths, guiding you step by step. From foundational concepts to advanced topics, we've got you covered.

### Outcome-Driven Learning

We don't just teach; we empower you to achieve tangible outcomes. Whether it's earning certifications, launching projects, or enhancing your skills, **Navigator** ensures you reach your goals.

### Certification Boost

Navigator prepares you for AWS certifications, giving your career a lift-off. Add on a Certification Prep Workshop with a live Instructor, bringing decades of experience to the table. They've helped countless candidates to succeed, and now it's your turn. **Learn from the best.**
